Team Responsibilities for practices

- Unlock Facility Access Gate
- Unlock Field gates
- Unlock Equipment Shed
- Remove and install any field covers as needed
- Clean up dugout and surrounding area
- **Rake field according to the Field Maintenance Guide after practices before another team uses the field to insure the safety of players**
- **Drag the field according to the Field Maintenance Guide**
- Lock Field gates
- Lock Equipment Shed after practice
- Lock Facility Access Gate (if your team is the last to leave the facilities)

Terms of responsibility:

- Your team is required to perform all of these functions if your team is the last to use the facility or there is not a team directly after your practice. If another team is using the field after you, clean dugouts and rake field.
- **Please coordinate with the other coaches using the facility to ensure access control is accomplished.**
